

Vision of the Future

Tools for the Legislative Process

Qualities of software needed in Congress

- Cost-effective; easy to maintain; secure
- Flexible and adaptive for the changing requirements of the legislative process, as well as formal Rules of the House and Senate; respects the Institution's traditions and practices
- Built on human-centered design principles
- Users can gain efficiencies, as well as education
- Built in consultation with SMEs

Three types of comparisons

Document to document

Amendments contained in a
legislative proposal to current law

Changes in existing law

October 01, 2019 (10:57 p.m. EDT)

Comparative Print: Changes in Existing Law for Bill number: 116hr2340ih

NOTICE: This document was computer-generated in an effort to show how legislative text that may be considered by the House proposes to change existing law and **may not have been reviewed for accuracy**. This document may comply with clause 12(a) of rule XXI of the Rules of the House of Representatives. This document does not represent an official expression by the House and should not be relied on as an authoritative delineation of the proposed change(s) to existing law.

Omitted text is shown ~~stricken~~, new matter that is proposed is in underlined italics, and existing text in which no change is being proposed is shown in regular roman. Typesetting and stylistic characteristics, particularly in the headings and indentations, may not conform to how the text, if adopted, would be illustrated in subsequent versions of legislation or public law.

This comparative print does not illustrate changes to tables of contents if the legislative text is proposing such a change(s).

Section 2(a)(6) of H.R.6901 RH of the 115th Congress

(6) E-GOVERNMENT REPORT.—Section 3606 of title 44, United States Code, is amended—

(A) in the heading, by striking “E-Government” and inserting “Annual”; and

(B) in subsection (a) by striking “an E-Government status report to the Committee on Governmental Affairs of the Senate and the Committee on Government Reform of the House of Representatives” and inserting “a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Oversight and Government Reform of the House of Representatives”.

Section 3606 of chapter 36 of title 44, United State Code, showing proposed amendments

§ 3606. ~~E-Government~~ Annual report

(a) Not later than March 1 of each year, the Director shall submit ~~an E-Government status report to the Committee on Governmental Affairs of the Senate and the Committee on Government Reform of the House of Representatives~~ a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Oversight and Government Reform of the House of Representatives.

(b) The report under subsection (a) shall contain—

- (1) a summary of the information reported by agencies under section 202(f) of the E-Government Act of 2002;
- (2) the information required to be reported by section 3604(f); and
- (3) a description of compliance by the Federal Government with other goals and provisions of the E-Government Act of 2002.
